Attention Mr. D. Wayne Hedberg
Permit Supervisor

Gentlemen:

Please be advised that I am writing in response to your letter of September 6, 1994.

It is the position of the March Corporation that we agree to be responsible for the reclaiming of those upgraded expansions of that portion of mine haul road , approx. 1 mile in length, addressed in your letter.

We further agree with your amendment proposal to our existing Small Mining permit.

I hope this response by the March Corporation meets with your approval and if you should require any additional response from this office, please do not hesitate to contact me at any time.

Respectfully submitted,
March Corporation
